Re: New Millennium PAC
FEC Identification #C00349233

Dear Ms. Miller:

This is in response to your letter dated October 29, 2013 concerning the Mid-Year Report (01/01/2013-06/30/2013), for New Millennium PAC (the Committee).

You ask about the descriptions of ""Advertisement"" and ""Credit"" on Line 21b. ""Advertisement"" is used to describe a print advertisement on behalf of the committee (and not to benefit any other federal candidate or committee). The Committee uses ""credit"" as a purpose only when its credit card has received a credit from a vendor for goods or services that have been previously reported but not used. The credit is not deposited into the Committee's bank account, as in the case of an offset, but rather the credited funds are used to pay for current credit card charges.

You also ask about the disbursements to ADP for ""Payroll Services"". These payments are for ADP's services in processing payroll and payments to consultants. All payments to employees and consultants are reported as disbursements to the individuals and not to ADP.

We hope that this information adequately answers your questions. If you have any additional questions, please contact the Committee.

Sincerely yours,

Marc Elias
Counsel to New Millennium PAC
